

# Resource Conservation CHALLENGE WORKSHOP

You're invited to attend the third annual **S.C. Resource Conservation Challenge Workshop** for state agencies, colleges/universities, schools and school districts, and local governments on **October 12, 2005** at the **S.C. State Museum** in Columbia. The workshop will cover ways for your organization to conserve natural resources, protect the environment and perhaps save money in the process. The S.C. Challenge is modeled after the U.S. Environmental Protection Agency's (U.S. EPA) Resource Conservation Challenge. For more information, call **1-800-768-7348**.
